

Team Susie Pathfinder Program *Program Overview*

Let's just say you stumble across an incredible charity that supports families living with ALS across southern New England (that's us!). You're inspired by their story, motivated by their mission, and want to do all you can to be sure that their work receives the support it needs to make lasting change in the community. But, as a runner, you're disappointed to see that all the race events they have planned are either (A) too far away from you, or (B) poorly timed to fit into your tight schedule.

Don't worry! That's exactly why we launched the Team Susie Pathfinder Program to give everybody out there the chance to give back directly to families living with ALS across southern New England. With the Pathfinder Program, all athletes have the chance to join Team Susie at *any race of their choosing!*

Want to run the Portland Marathon for Team Susie? Rock on, let's get going! Finally qualify for the New York City Marathon? Great, let us help you get ready for it! Or have a local 5k in your town you want to run to support families living with ALS? Amazing, let's go for it!
